Advocaat

Stawski Advocaat

Poland

Stawski Advocaat* is a liqueur. It is the most popular Polish egg emulsion cream, made from rectified selected spirit, fresh hens' eggs yolks and aromatic additions, according to the old recipe coming from Poland. It has a pleasant semi-fluid consistency, delicate cognac-vanilla taste and aroma. Stawski Advocaat is recommended to serve with desserts, pastries and fruits.

* Advocatenborrel - advocaat 'advocate'; borrel 'drink'. According to Kopaliski's Dictionary, "advocaat" name for alcoholic drink originally comes from Dutch, which means drink with brandy, eggs, sugar, vanillin and coffee. Dutch believe that Advocaat has pleasant influence especially for lawyers' tired throats.

Stawski Advocaat is available in cases of 12 x 750 ml (25.4 fl. oz.) bottles.
