Stara Slivovica

Stara Slivovica

Croatia

Stara Slivovica – Old Plum Brandy is a fine fruit brandy from Badel, produced by means of the age-old traditional method of distilling fresh and ripe plums. This fresh plum distillate is then aged in wooden casks made of slavianian oak. This aging process is what gives Slivovica it's natural and great taste.

Stara Slivovica is available in cases of 12 x 1 liter bottles.
