Chateau Slavyantsi

Merlot & Cabernet Sauvignon

Chateau Slavyantsi – Special Reserve
Bulgaria

Merlot & Cabernet Sauvignon

Red Wines made from hand selected vines over 20 years old and matured in small oak casks for a minimum of 1 year. A reserve you would prefer for your celebration dinner in front of the fireplace. These red wines have a nice red color and crystal limpidity. The bouquet is typical with nuances of ripe wild berries – black currant, strawberry, and blueberry mixed with cinnamon tones of spices. The flavor is long ranged, soft, harmonious, with accents of a noble oak and memorable pleasant finish. The wines should be served at room temperature or lightly chilled.

Available in cases of 12 / 750 ml Bottles

ABV: 12.5%
