Chateau Slavyantsi

Muscat & Chardonnay

Chateau Slavyantsi – Special Reserve
Bulgaria

Muscat & Chardonnay

Special Reserve White wines are made from hand selected vines over 20 years old and matured in small casks made of American Oak. The wines have a beautiful color and limpidity and are accented by a fine aroma. The flavor is exceptionally pleasant, fresh and with tones of honey, resembling an apple, with nuances of peach and a citrus fruit with an accent of noble oak. The flavor is a rich aromatic composition in a long finish of pleasant emotions. The wines should be served chilled with fish, white meats, and dried delicacies or as an aperitif.

Available in cases of 12 / 750 ml Bottles

ABV: 12.5%
