Flying Horse

Flying Horse

Bangalore, India

The People of India consider Flying Horse to be the finest beer in the world. The recipe includes simple ingredients such as grain, water, hops and yeast, making Flying Horse technically Rheinheitsgebot pure.

Flying Horse is a crisp, clean lager beer with softness of water and a pleasant maltiness. It is a beer of the temperate, Indian climate making it a beer best to be served extremely cold. Flying Horse is best suited to be served with the spicy foods of Indian cuisine. Try Flying Horse with Indian, Jamaican, Szechuan, Thai, Mexican, Carribean or any spicier foods. Use your imagination!

Flying Horse comes in big 650 milliliter bottles to quench the thirst of the driest throats. Flying Horse can be found at Indian restaurants and liquor stores in your area.

Alcohol By Volume: 4.7%

Flying Horse comes in the following formats:

Cases of twelve 650 ml. bottles.
