# Kutjevo Rajnski Riesling

## Kutjevo Rajnski Riesling

Croatia

Rhenish Riesling is one of the most noble white wine's in the world. In the Kutjevo wine-growing hills, there grows a grape which makes a wine for the wine-experts who need more. It has a perfect balance in taste and freshness with a fine fruit aroma that reminds one of an apricot. The aroma is simply magic, above all pleasant, very suggestive, fruity and permanence in the glass.
