Kutjevo Pinot Gris

Kutjevo Pinot Gris

Croatia

Descendant from Fresh Burgundy, this Grey Pinot has found an excellent climate in the Kutjevo wine growing hills. The rich extract gives fullness to taste and the elegance is completed by a characteristic and well-formed bouquet with typical light golden-yellow color. It is served cooled to 8 to 10 C, along with heavy and well-flavored meals, fish in sauce, goose and duck roast, pork, mutton and mellow cheese.

Available in cases of 12/750 ml bottles.
