Zrinski Grape Brandy

Zrinski Grape Brandy

Croatia

The aged and variety of the distilled wine, an oak cask, the time of maturation, and a process identical to that by which the French produce their famous brandy named cognac - all of these contribute to the characteristic amber color and the particular fruity aroma of this fine brandy. Take a sip and appreciate the tradition and hand worked flavor of this fine Brandy.

Zrinski Grape Brandy is available in cases of 12 x 1 liter bottles.

Alc./Vol. 40%
