Delpech X.O Reserve Brandy

Delpech X.O Reserve brandy is aged more than 25 years. Since 1777 the making and aging of this fine brandy has been held in the name of one family, Delpech. The distillation process, using only aged oak barrels, is precisely executed under the guidance of Mr. Jacques Delpech, in the companies own cellars. The taste is rounded with a balanced rancio (aged liqueur wine). Experience the taste of tradition with Delpech X.O Reserve
